## Panic Motorsports, LLC Dynamometer Waiver, Disclaimer, and Absolute Release

By signing below, you (here forth known as the "Customer") agree to the following:

1. As the Customer, I hereby represent that I have read the required Pre-Test/Tune Checklist and Details sheet and that I have full authority to authorize the testing/tuning of the vehicle indicated below and to enter into this Waiver/Release.
2. As the Customer, I agree to the standard rate of \$150/hour for testing/tuning service performed by Panic Motorsports, LLC.
3. I am aware that all tests are intended to be and will be at maximum performance and at "wide-open throttle," thus applying stress similar to that which the vehicle would experience during operation on the road/track and is, therefore, susceptible to the same risks as on the road/track, which may cause engine, power train, and/or tire/wheel failure or damage.
4. As the Customer, I understand and accept the risk of running my vehicle on the dynamometer.
5. As the Customer, I hereby represent that I know the condition of the vehicle, and I assure that it is in acceptable condition to run on the dynamometer. I have been advised that Panic Motorsports, LLC does not know, nor assumes any such knowledge of the condition of the vehicle being tested/tuned, beyond what they may have been previously contracted to evaluate, and I, nevertheless, agree to have my vehicle run on the dynamometer. As the Customer, I represent that all parts of the vehicle are in good condition and are capable of full power and full throttle performance during testing/tuning being performed.
6. Therefore, I hereby release Panic Motorsports, LLC, its owners, and staff from any liability of any nature for damage, be it property or casualty, or other losses which may be sustained as a result of the testing/tuning on the dynamometer at Panic Motorsports' facility.
